CHANGES TO TRICARE SELECT IN 2021: Starting on Jan. 1, 2021, TRICARE Select Group A retired beneficiaries must pay monthly enrollment fees in order to maintain their TRICARE health coverage. If you or your sponsor's initial enlistment or appointment occurred before January 1, 2018, you are in Group A. This is a change, and the first time this beneficiary group will pay enrollment fees. This change was mandated by Congress in the National Defense Authorization Act for Fiscal Year Oct 1 - Sept 30 2017. Congress granted the Defense Health Agency a delay in implementation to calendar year 2021.

You must set up a monthly allotment through your Department of Defense (DoD) pay center, where feasible, for your monthly payments to start on Jan. 1, 2021. For sponsors who don't receive funds through a DoD pay center, you can establish payments via electronic funds transfer, credit card, or debit card. Your regional contractor will soon issue instructions to set up payment.

The following enrollment fees will be collected via monthly installments from the sponsor's military pay system where retired pay is disbursed: Individual plan: \$12.50 per month; Family plan: \$25 per month

JUNE 2020 DFAS RETIREE NEWSLETTER: The June 2020 Retiree Newsletter is now available online. It contains helpful information to make sure your account stays up to date, and how to make those updates, including the self-service options offered in myPay. There is also info on an easier process for school certifications, new direct deposit option for arrears of pay, an update on the SBP-DIC Offset Phased Elimination, plus information from Army Emergency Relief, and the Armed Forces Retirement Homes. You can also access a downloadable PDF version of the newsletter, all at the following link: <https://www.dfas.mil/RetiredMilitary/newsevents/newsletter/>

PRESCRIPTION PRICING INFORMATION IF USING EXPRESS SCRIPTS: My wife recently had a prescription filled and the doctor submitted it to a Walgreens near our home instead of Express Scripts (which we normally use) for some reason. We've been getting this prescription via Express Scripts and paying our \$10 copay for a 3-month supply. When we picked it up at Walgreens it was \$3.90 for the same 90 day supply, which surprised me. Since I was under the impression Express Scripts is normally cheaper than using a retail pharmacy I contacted the RAO Express Scripts POC to see if he could tell me why this would be the case. He provided me with the following: "ESI as a company, as well as a partner with DoD for the TRICARE Pharmacy Program, uses "Lesser Logic" when prescriptions are dispensed at retail pharmacies. In other words, the beneficiary pays the copay or actual cost of the medication, whichever is less, when having prescriptions dispensed at Retail. This lesser logic persists for common low-cost generic medications and yes, is a good deal for the beneficiary. It is **not** the case for **all** medications and **in most cases, medication dispensed at retail costs the government and the beneficiary substantially more.** It is a case-by-case basis. The Lesser Logic concept is an exception to the rule when it comes

to your pharmacy benefit. If you use the Express Scripts Mobile App you can search for a pharmacy and price a medication which will tell you what the actual cost would be. Also, if your provider uses an Electronic Health Record (most do today) they may also be able to use a tool called Real Time Prescription Benefit (or some variation on the name) that will tell them, and ultimately you, what the cost would be for a medication at Home Delivery (standard copayment) or at retail. Neither ESI nor DoD can tell you what the medication would cost at a retail pharmacy because the cost could vary by pharmacy but is usually pretty consistent throughout the industry (one retail pharmacy to another). It would be impossible to tell you the price for every medication. Rule of thumb is most generic medications cost very little in today's market." So, if you too happen to use Express Scripts, my takeaway is it wouldn't hurt to check with your medical provider to see if your prescriptions would be cheaper at a retail pharmacy near you than whatever you are paying Express Scripts.

WEBSITE TO SUBMIT SURVEYS & SUGGESTIONS ON BUCKLEY AFB SERVICES: The link below will take you to the Buckley AFB ICE site.

https://ice.disa.mil/index.cfm?fa=site&site_id=385

On this site you can select which base Service you want to comment on (Health, Personnel Services, Recreation, etc) then select the desired area to a specific survey you can fill out. On the survey form will be a place for "Comments and Recommendations for Improvement." While there is no specific listing for the base pharmacy you can select "Health" then "460th Medical Group (Buckley AFB)" and use that survey form. This website was only recently provided to me when I asked how pharmacy customers could submit comments/suggestions now that the building itself is closed and retirees don't have access to the suggestion forms inside the building. This way you should be able to submit comments on the MPF, Outdoor Rec, gym, pharmacy, Exchange, etc.

EMPLOYMENT SERVICES FOR VETERANS: Arapahoe/Douglas Works! (A/D Works!) Workforce Center is a member of the Colorado Department of Labor and Employment and provides a variety of no-cost services to veteran job seekers; resources and workshops for a self-directed job search, one-on-one employment counseling, customizing resumes, referrals to other state and federal agencies and training assistance. For more information you can visit their website at <http://www.adworks.org/> Just FYI, there is an A/D Works! Veterans Employment Specialist that works several days a week in Bldg 606 on base (when non-mission essential personnel are allowed back in their offices on Buckley AFB). For more info you can also contact the AD Works! Call Center at (303) 636-1160 and ask to be contacted to a Veterans Employment Team Member.

ASKDFAS WEBSITE AVAILABLE: DFAS has the askDFAS website available with a specific category for "Retirees and Annuitants." When you click on that category you will find general categories related to MyPay, mailing address, tax statements, reporting a retirees death, arrears of pay, etc. This site allows you to submit questions to DFAS via e-mail instead of using the customer service number so some may find it more convenient. You can check it out at <https://www.dfas.mil/dfas/AskDFAS/>

HAVE YOU EXPERIENCED UNSATISFACTORY SERVICE FROM THE RAO? We are staffed completely with volunteers who do their very best to help with your issues. While we always strive to provide you with the best possible support, we realize there may be times you experience what you consider to be unsatisfactory customer service when you contact the RAO. Perhaps you never received a response to a voice mail/e-mail you left, you got inaccurate information regarding a question you had or the person who helped you was unable to provide an adequate answer to your question. **If you are ever dissatisfied with the support you get from the RAO please contact the RAO Director to discuss the situation.** The best way to reach me is via my home e-mail - elkfive@centurylink.net.

RAO VOLUNTEERS NEEDED: We currently have **only 7 permanent RAO volunteers** that support our "Help Desk" (720-847-6693) so the office is not fully manned every day of the week. You can leave a voice mail anytime, and we check Voice Mails frequently to return calls, but **we need more volunteers. A typical volunteer spends just one 3-4 hour shift in the office per week.** You don't need to be an expert on retiree matters, you just need a desire to help military retirees/surviving spouses and a willingness to learn! We will go over reference

materials, explain RAO procedures, etc. and you won't work a solo "shift" until you are comfortable doing so. The job mainly consists of answering phone calls, responding to Voice Mails and meeting with people who come by the office. You either answer customer questions yourself or refer them to the appropriate subject matter expert (SME) and provide them with the contact information for that SME. **If you think you might be interested, or just have questions, please contact me (Steve Young) at my home e-mail - elkfive@centurylink.net.**

BUCKLEY AFB 2020 RETIREE APPRECIATION DAY (RAD): Just a heads up that we have scheduled our 2020 RAD for Saturday, **3 Oct**, at the Leadership Development Center (LDC) on base. Depending on what happens with COVID 19 we may have to cancel the event. I expect that final decision to be made NLT 31 July.

COAST GUARD NATIONAL RETIREE HELP DESK (NRHD) HOTLINE: For any questions a retiree or retiree spouse has regarding benefits (other than those related to pay) such as health care issues, assistance obtaining important forms and/or papers, etc. call 1-888-224-6743 or e-mail nrhdesk@gmail.com. For questions concerning pay call 1-866-772-8724 or e-mail ppc-dg-customer-care@uscg.mil.

PRESCRIPTION MEDICATIONS UNDER TRICARE: We've gotten several calls from people who are not aware of their options for getting prescription medications under Tricare - either regular Tricare or Tricare for Life (TFL). So, even though I'm sure most of you already know this, here is some basic info for those who may not. Under Tricare there are four basic options to obtain medication prescribed by your doctor - using these could save you money. Generally, from cheapest to most expensive, the options are: a military pharmacy; the Tricare Express Scripts home delivery program; a Tricare retail network pharmacy (~58k locations) and; a non-network pharmacy. Tricare requires your prescription be filled with a generic product if one is available. At a **military pharmacy** (like the one on Buckley AFB) you can receive up to a 90 day supply of *most medications* at **no cost to you**. Using **Express Scripts** home delivery you can receive up to a 90 day supply of *most generic medications* for a **\$10 copay and brand-name medications for a \$29 copay**. For prescription drugs not on the Tricare's preferred list the copay is \$60. At an **in network retail pharmacy** (like a Walgreens, Rite Aid, Walmart, etc) you can receive up to a **30** day supply of *most generic medications* for a \$13 copay (some are as cheap as \$5) and \$33 for brand name medications. Prices at non-network pharmacies will vary. If you have any questions you can call the Buckley AFB Pharmacy (720-847-7455) or Express Scripts (877-363-1303, 800-282-2881 or visit <https://www.express-scripts.com/TRICARE/index.shtml>).

BUCKLEY AFB LEGAL OFFICE - WHAT CAN THEY DO FOR YOU? The majority of the retirees go to base legal for estate planning to include wills, power-of-attorneys, advance medical directives, and living wills. All of these are done *by appointment only* on Tuesday afternoons. They also visit legal for assistance with matters such as probate, divorce, elder abuse/scams, and other legal matters. These appointments are scheduled on Thursday afternoons. Legal *does not* provide assistance for any of the following: criminal matters; real estate/closing documents; official matters in which the US Government has an interest; matters on behalf of third parties (their children); commercial enterprise to include private organizations, rental properties, home businesses; trusts; any representation of a client in a court or administrative proceeding. Legal will do wills and witness/notarize documents but they will not do trusts. **Customers can make an appointment with legal by calling 720-847-6444 (Bldg 1030, the 460th SW HQ building).**

ID CARD RENEWALS FOR MILITARY RETIREES, SPOUSES & DEPENDENTS

(Due to COVID-19, hours/times/processes for locations below may have changed - call first! Also, if your ID card expires between Jan and Sep 2020 you **don't** need to renew it by the expiration date unless you are turning 65 and qualifying for Medicare. It will still be good to get on base, use the commissary, Exchange, Pharmacy, etc) For ID card renewal there are several places you can go, both on and off Buckley AFB. If your computer is compatible, you can use the following two web sites to locate ID card facilities near you and make an appointment. The RAPIDS site to locate facilities and make appointment is at <https://idco.dmdc.osd.mil/idco/#/>. If the link won't work for you, info on the nearby ID card facilities is below. **A word of caution - on the day of your appointment I'd encourage you to call the location you're using to ensure DEERS is up - if DEERS is down they won't be able to process your ID card.**

Note: when you or spouse are approaching age 65 the FRONT of your ID card probably has INDEF listed, but on the back there is probably an actual expiration date, which should be the **month before your 65th birthday** - use this date to determine when you need to get a new card. You may schedule an ID card replacement appointment (up to 1 month before your ID card expires) using the process outlined above.

MPF at Buckley AFB (Bldg 606 on 18401 E A-Basin Ave) - they are really by appointment only. You can call them at 720-847-6319/6990/4357 to schedule an appointment.

GRAY AREA RESERVISTS: We get quite a few calls in the RAO from Gray Area Reservists approaching 60 who have questions regarding the processing of their retirement package, when they can anticipate their first pension check, what they need to do regarding Tricare, etc. Based on that, below is some POC information for Guard/Reserve members from the various services. In addition, we send a personal letter to Gray Area Reservists we know of in our AOR several months before their 60th birthday with additional information. We can also provide you with a copy of DoD **Fm 2656 (current version is Oct 2018)** if you are having trouble downloading it.

LIFE CHANGING EVENT? KEEP DFAS INFORMED: Ensuring your retired pay comes to you accurately and on time is the primary goal at DFAS. To do this, they need your help to keep your account up to date. *Keeping your account up to date includes making sure your mailing address, banking information, allotments, tax*

withholding status, and your beneficiary choices are current. Be sure to report any change of life events as soon as they happen. These life-changing events include:

- Marriage
- Divorce
- Death of a spouse or child
- Birth or adoption of a child

Some changes, especially those regarding SBP, have a one-year time limit, so it is very important that DFAS is notified of life-changing events when they happen. When you notify them, be sure to include supporting documents, such as birth or marriage certificates. Keeping your contact information updated is also key to staying informed. DFAS occasionally sends out correspondence regarding changes in the law that affect your pay, and a new Retired Account Statement (RAS) is sent when your net pay changes (unless you are on **myPay** where the new RAS is available online). **If your mailing address is not correct and you are not on myPay, they have no way of notifying you about changes. The easiest way to stay up to date is to use myPay. You can use myPay to change your mailing address, your direct deposit information, Survivor Benefit Plan (SBP) coverage, certain allotments and your tax withholding status. You can create a myPay account at <https://mypay.dfas.mil/>**
