

Buckley AFB, CO - RETIREE ACTIVITIES OFFICE (RAO) NEWSLETTER - Jun 2020

18401 East A-Basin Ave, Stop 95, Buckley AFB, CO 80011

Building 606, Room 104, phone **720-847-6693**, e-mail address: **460sw.rao.org@us.af.mil**

Normal Hrs of operation: Physical RAO Office Space Closed as of 18 Mar

Director: Steve Young, Lt Col, USAF, Ret

RETIREE ACTIVITIES OFFICE (RAO) LOCATION: We are in Rm 104 of Bldg 606, very close to the main building entrance. As you come in the main entrance, turn left, enter the first hallway on your right and Rm 104 is the first room on your left. Remember, we assist military retirees from **all** Services!

CHANGES TO RAO OPERATIONS: On 18 Mar the RAO was directed to close the office due to the COVID-19 virus concerns as we are **not** deemed “service essential.” **We will still be closed during Phase 2A when some other base facilities (barber shop, optometry shop, Outdoor Rec, etc) are starting to reopen.** As you know, all of our staff are volunteers and their health is my primary concern. While the hours on our website have not been updated, there will be **no one** in the office (Bldg 606, Rm 104) until further notice. **You should know this will have minimal impact on the support we routinely provide military retirees/surviving spouses.** While we won't be able to see or respond to any e-mails sent to our 460sw.rao.org@us.af.mil address, every weekday we will be routinely checking Voice Mails left at our office number, 720-847-6693, just as we always do, and contacting you from home to assist you. My cell phone is a 703-xxx-xxxx number and that is what I will use to contact you. Our objective is to make the actual office closure as transparent as possible to you, the customer.

COVID-19 IMPACTS ON BUCKLEY AFB: There have been significant changes to Buckley AFB operations due to COVID-19 - some directly impact military retirees/surviving spouses. **Starting 1 Jun the base moves to Phase 2A which means 25% of non-mission essential personnel will be allowed to return to work.** This means several facilities that have been closed will be partially re-opened, with restrictions. **Some Phase 2A changes I believe are most relevant to military retirees are listed below.** For the most current info and additional details on **days/hours**, etc please check the Buckley AFB FaceBook (FB) page, website, and Phase 2A guidance - links below:

TRUSTED TRAVELER PROGRAM (TTP) SUSPENDED UNTIL FURTHER NOTICE: As of 16 Apr the Trusted Traveler Program (TTP) on base was suspended. What does this mean to you? The TTP allows you to drive on base and “escort” passengers in your car that don’t have a military ID (friend, relative, etc). When the TTP is operational the Security person just ensures you have a valid military ID and if you have “guests” in your car you just proceed onto base.

When the TTP is suspended, you **cannot** just proceed onto base, the Security people will run a background check on each of your passengers (over 16) without an ID and then issue them a base pass for the day. Normally, when the 6th Ave gate, and Visitor Control Center (VCC) at that gate, are open, you would be directed to the VCC parking lot and go inside with your guests to have the checks done on the guests and the base passes issued.

As you know, the 6th Ave gate, and VCC, have been closed for weeks now so you **have** to use the Mississippi Gate, where there is **no** VCC and no convenient place for you to get out of traffic while the visitor checks are made and base passes issued. So, what this means is you can still bring guests on base but you should also expect a delay if you do.

PRESCRIPTION PRICING INFORMATION IF USING EXPRESS SCRIPTS: My wife recently had a prescription filled and the doctor submitted it to a Walgreens near our home instead of Express Scripts (which we normally use) for some reason. We’ve been getting this prescription via Express Scripts and paying our \$10 copay for a 3-month supply. When we picked it up at Walgreens it was \$3.90 for the same 90 day supply, which surprised me. Since I was under the impression Express Scripts is normally cheaper than using a retail pharmacy I contacted the RAO Express Scripts POC to see if he could tell me why this would be the case. He provided me with the following: “ESI as a company, as well as a partner with DoD for the TRICARE Pharmacy Program, uses “Lesser Logic” when prescriptions are dispensed at retail pharmacies. In other words, the beneficiary pays the copay or actual cost of the medication, whichever is less, when having prescriptions dispensed at Retail. This lesser logic persists for common low-cost generic medications and yes, is a good deal for the beneficiary. It is **not** the case for **all** medications and **in most cases, medication dispensed at retail costs the government and the beneficiary substantially more**. It is a case-by-case basis. The Lesser Logic concept is an exception to the rule when it comes to your pharmacy benefit. If you use the Express Scripts Mobile App you can search for a pharmacy and price a medication which will tell you what the actual cost would be. Also, if your provider uses an Electronic Health Record (most do today) they may also be able to use a tool called Real Time Prescription Benefit (or some variation on the name) that will tell them, and ultimately you, what the cost would be for a medication at Home Delivery (standard copayment) or at retail. Neither ESI nor DoD can tell you what the medication would cost at a retail pharmacy because the cost could vary by pharmacy but is usually pretty consistent throughout the industry (one retail pharmacy to another). It would be impossible to tell you the price for every medication. Rule of thumb is most generic medications cost very little in today’s market.” So, if you too happen to use Express Scripts, my

takeaway is it wouldn't hurt to check with your medical provider to see if your prescriptions would be cheaper at a retail pharmacy near you than whatever you are paying Express Scripts.

WEBSITE TO SUBMIT SURVEYS & SUGGESTIONS ON BUCKLEY AFB SERVICES: The link below will take you to the Buckley AFB ICE site.

https://ice.disa.mil/index.cfm?fa=site&site_id=385

On this site you can select which base Service you want to comment on (Health, Personnel Services, Recreation, etc) then select the desired area to a specific survey you can fill out. On the survey form will be a place for "Comments and Recommendations for Improvement." While there is no specific listing for the base pharmacy you can select "Health" then "460th Medical Group (Buckley AFB)" and use that survey form. This website was only recently provided to me when I asked how pharmacy customers could submit comments/suggestions now that the building itself is closed and retirees don't have access to the suggestion forms inside the building. This way you should be able to submit comments on the MPF, Outdoor Rec, gym, pharmacy, Exchange, etc.

EMPLOYMENT SERVICES FOR VETERANS: Arapahoe/Douglas Works! (A/D Works!) Workforce Center is a member of the Colorado Department of Labor and Employment and provides a variety of no-cost services to veteran job seekers; resources and workshops for a self-directed job search, one-on-one employment counseling, customizing resumes, referrals to other state and federal agencies and training assistance. For more information you can visit their website at <http://www.adworks.org/> Just FYI, there is an A/D Works! Veterans Employment Specialist that works several days a week in Bldg 606 on base (when non-mission essential personnel are allowed back in their offices on Buckley AFB). For more info you can also contact the AD Works! Call Center at (303) 636-1160 and ask to be contacted to a Veterans Employment Team Member.

ASKDFAS WEBSITE AVAILABLE: DFAS has the askDFAS website available with a specific category for "Retirees and Annuitants." When you click on that category you will find general categories related to MyPay, mailing address, tax statements, reporting a retiree's death, arrears of pay, etc. This site allows you to submit questions to DFAS via e-mail instead of using the customer service number so some may find it more convenient. You can check it out at <https://www.dfas.mil/dfas/AskDFAS/>

HAVE YOU EXPERIENCED UNSATISFACTORY SERVICE FROM THE RAO? We are staffed completely with volunteers who do their very best to help with your issues. While we always strive to provide you with the best possible support, we realize there may be times you experience what you consider to be unsatisfactory customer service when you contact the RAO. Perhaps you never received a response to a voice mail/e-mail you left, you got inaccurate information regarding a question you had or the person who helped you was unable to provide an adequate answer to your question. **If you are ever dissatisfied with the support you get from the RAO please contact the RAO Director to discuss the situation.** The best way to reach me is via my home e-mail - elkfive@centurylink.net.

RAO VOLUNTEERS NEEDED: We currently have **only 7 permanent RAO volunteers** that support our "Help Desk" (720-847-6693) so the office is not fully manned every day of the week. You can leave a voice mail anytime, and we check Voice Mails frequently to return calls, but **we need more volunteers. A typical volunteer spends just one 3-4 hour shift in the office per week.** You don't need to be an expert on retiree matters, you just need a desire to help military retirees/surviving spouses and a willingness to learn! We will go over reference materials, explain RAO procedures, etc. and you won't work a solo "shift" until you are comfortable doing so. The job mainly consists of answering phone calls, responding to Voice Mails and meeting with people who come by the office. You either answer customer questions yourself or refer them to the appropriate subject matter expert (SME) and provide them with the contact information for that SME. **If you think you might be interested, or just have questions, please contact me (Steve Young) at my home e-mail - elkfive@centurylink.net.**

BUCKLEY AFB 2020 RETIREE APPRECIATION DAY (RAD): Just a heads up that we have scheduled our 2020 RAD for Saturday, **3 Oct**, at the Leadership Development Center (LDC) on base. Depending on what happens with COVID 19 we may have to cancel the event. I expect that final decision to be made NLT 1 July.

COAST GUARD NATIONAL RETIREE HELP DESK (NRHD) HOTLINE: For any questions a retiree or retiree spouse has regarding benefits (other than those related to pay) such as health care issues, assistance obtaining important forms and/or papers, etc. call 1-888-224-6743 or e-mail nrhdesk@gmail.com. For questions concerning pay call 1-866-772-8724 or e-mail ppc-dg-customer-care@uscg.mil.

PRESCRIPTION MEDICATIONS UNDER TRICARE: We've gotten several calls from people who are not aware of their options for getting prescription medications under Tricare - either regular Tricare or Tricare for Life (TFL). So, even though I'm sure most of you already know this, here is some basic info for those who may not. Under Tricare there are four basic options to obtain medication prescribed by your doctor - using these could save you money. From cheapest to most expensive, the options are: a military pharmacy; the Tricare Express Scripts home delivery program; a Tricare retail network pharmacy (~58k locations) and; a non-network pharmacy. Tricare requires your prescription be filled with a generic product if one is available. At a **military pharmacy** (like the one on Buckley AFB) you can receive up to a 90 day supply of *most medications* at **no cost to you**. Using **Express Scripts** home delivery you can receive up to a 90 day supply of *most generic medications* for a **\$10 copay and brand-name medications for a \$29 copay**. For prescription drugs not on the Tricare's preferred list the copay is \$60. At an **in network retail pharmacy** (like a Walgreens, Rite Aid, Walmart, etc) you can receive up to a **30** day supply of *most generic medications* for a \$13 copay and \$33 for brand name medications. Prices at non-network pharmacies will vary. If you have any questions you can call the Buckley AFB Pharmacy (720-847-7455) or Express Scripts (877-363-1303, 800-282-2881 or visit <https://www.express-scripts.com/TRICARE/index.shtml>).

BUCKLEY AFB LEGAL OFFICE - WHAT CAN THEY DO FOR YOU? The majority of the retirees go to base legal for estate planning to include wills, power-of-attorneys, advance medical directives, and living wills. All of these are done *by appointment only* on Tuesday afternoons. They also visit legal for assistance with matters such as probate, divorce, elder abuse/scams, and other legal matters. These appointments are scheduled on Thursday afternoons. Legal *does not* provide assistance for any of the following: criminal matters; real estate/closing documents; official matters in which the US Government has an interest; matters on behalf of third parties (their children); commercial enterprise to include private organizations, rental properties, home businesses; trusts; any representation of a client in a court or administrative proceeding. Legal will do wills and witness/notarize documents but they will not do trusts. **Customers can make an appointment with legal by calling 720-847-6444 (Bldg 1030, the 460th SW HQ building).**

ID CARD RENEWALS FOR MILITARY RETIREES, SPOUSES & DEPENDENTS

(Due to COVID-19, hours/times/processes for locations below may have changed - call first! Also, if your ID card expires between Jan and Sep 2020 you **don't** need to renew it by the expiration date unless you are turning 65 and qualifying for Medicare. It will still be good to get on base, use the commissary, Exchange, Pharmacy, etc) For ID card renewal there are several places you can go, both on and off Buckley AFB. If your computer is compatible, you can use the following two web sites to locate ID card facilities near you and make an appointment. The RAPIDS locator web site is at <https://rsl.dmdc.osd.mil/rsl/> and the appointment site is at <https://rapids-appointments.dmdc.osd.mil> . If the links above won't work for you, info on the nearby ID card facilities is below. **A word of caution - on the day of your appointment I'd encourage you to call the location you're using to ensure DEERS is up - if DEERS is down they won't be able to process your ID card.**

Note: when you or spouse are approaching age 65 the FRONT of your ID card probably has INDEF listed, but on the back there is probably an actual expiration date, which should be the **month before your 65th birthday** - use this date to determine when you need to get a new card. You may schedule an ID card replacement appointment (up to 1 month before your ID card expires) using the process outlined above.

GRAY AREA RESERVISTS: We get quite a few calls in the RAO from Gray Area Reservists approaching 60 who have questions regarding the processing of their retirement package, when they can anticipate their first pension check, what they need to do regarding Tricare, etc. Based on that, below is some POC information for Guard/Reserve members from the various services. In addition, we send a personal letter to Gray Area Reservists we know of in our AOR several months before their 60th birthday with additional information. We can also provide you with a copy of DoD **Fm 2656 (current version is Oct 2018)** if you are having trouble downloading it.

LIFE CHANGING EVENT? KEEP DFAS INFORMED: Ensuring your retired pay comes to you accurately and on time is the primary goal at DFAS. To do this, they need your help to keep your account up to date. *Keeping your account up to date includes making sure your mailing address, banking information, allotments, tax withholding status, and your beneficiary choices are current. Be sure to report any change of life events as soon as they happen.* These life-changing events include:

- Marriage
- Divorce
- Death of a spouse or child

- Birth or adoption of a child

Some changes, especially those regarding SBP, have a one-year time limit, so it is very important that DFAS is notified of life-changing events when they happen. When you notify them, be sure to include supporting documents, such as birth or marriage certificates. Keeping your contact information updated is also key to staying informed. DFAS occasionally sends out correspondence regarding changes in the law that affect your pay, and a new Retired Account Statement (RAS) is sent when your net pay changes (unless you are on **myPay** where the new RAS is available online). **If your mailing address is not correct and you are not on myPay, they have no way of notifying you about changes. The easiest way to stay up to date is to use myPay. You can use myPay to change your mailing address, your direct deposit information, Survivor Benefit Plan (SBP) coverage, certain allotments and your tax withholding status. You can create a myPay account at <https://mypay.dfas.mil/>**
