Retiree & Dependent ID Cards (Appts Only)

- Agent Letter (allows others to shop commissary, BX, etc for retirees not able to - **walk-ins OK!**)

To find the ID facility nearest you and make an appointment online please go to the RAPIDS Site Locator at the following link: <https://idco.dmdc.osd.mil/idco/#/>

Once you get to the RAPIDS site, click on the “ID Card Office Locator & Appointments” Continue box. The page that comes up should default to the “Search for Site by Address” tab. Ensure “All” is selected under the “Search For” area, then enter your zip code in the “Enter Location” area, select an entry from the “Radius” drop-down menu, and click on the “Search” box. A list of sites will pop up and then you can select “More Info” for the site you want to use, and the “Schedule an Appointment” block. A calendar will come up for that site where you can scroll through the months on the calendar to see when appointments are available. During the pandemic some locations may not show any appointments available. When you pick a day with appointments you will see a list of the times available for that day below the calendar and you can pick the one you want and click on “Book This Appointment.” **Just FYI, you will typically find more online appointments available on the 140th ANG and NOSC sites - both on Buckley SFB - than at the MPF in Bldg 606.**

OBSERVANCES IN FEBRUARY: 3 Feb - Four Chaplains Day; 4 Feb - USO Birthday; 14 Feb - National Salute to Veteran Patients; 19 Feb - Coast Guard Birthday.

“FAMILY DAY” ON FRIDAY, 18 FEBRUARY: Please remember a “Family Day” is often implemented around a Federal Holiday, which results in some changes at base facilities. There will be one Family Day in Feb, on the 18th (for the President’s Day holiday on the 21st). **You should expect the 6th Ave gate to base to be closed, the pharmacy to be closed, the MPF will not be issuing ID cards, etc.** You should call these facilities if you have any questions regarding hours for that Friday, or check the base social media like the Buckley SFB Facebook page: [Buckley Space Force Base | Facebook](#)

INCOME TAX FILING ASSISTANCE: It’s that time of year again so I thought some of you might be interested in some tax preparation options available in our area, if you don’t do your own using Turbo Tax or whatever. While many places will do your taxes for a fee, there are at least two free alternatives.

The Volunteer Income Tax Assistance (VITA) program offers *free* tax help to people who generally make \$55,000 or less, persons with disabilities and limited English-speaking taxpayers who need assistance in preparing their own tax returns. IRS-certified volunteers provide free basic income tax return preparation with electronic filing to qualified individuals. While some RAOs have volunteers who take the VITA training and assist with taxes, we simply do not have the staff to provide that service.

In addition to VITA, the Tax Counseling for the Elderly (TCE) program offers free tax help for all taxpayers, particularly those who are 60 years of age and older, specializing in questions about pensions and retirement-related issues unique to seniors. The IRS-certified volunteers who provide tax counseling are often retired individuals associated with non-profit organizations that receive grants from the IRS. (The website below says TCE sites are currently closed due to COVID.) The web site at <https://www.irs.gov/individuals/free-tax-return-preparation-for-you-by-volunteers> provides you with two links where you can search (by zip code) for places near you that offer **free** tax return preparation by volunteers. One link is for the “VITA/TCE Locator Tool” and one is for the “AARP Tax-Aide Site Locator Tool.”

The last time I checked, AARP will do taxes for *anyone* at no charge - you don’t need to be an AARP member. When I checked in January, there were 20 different AARP tax-aid locations listed within 25 miles of my zip code - at libraries, retirement homes, senior centers, rec centers, etc. Some of them allow you to make appointments on-line and others you have to call. If you have additional questions for them, you can call the AARP tax-aid site located nearest you or visit [AARP Foundation Tax-Aide Locator](#). Some are starting up in Feb and some later, and it looks like most require an appointment. Call the specific site you are interested in for details.

As you know, if you do your own taxes you have numerous options when it comes to filing - essentially snail mail or electronically. When filing electronically, some tax software you buy (like Turbo Tax) will charge you to file your taxes and to have any refund deposited into your account. You may not know the IRS offers some free tax filing options (with various caveats). For more info on the IRS free options see the following link: <https://www.irs.gov/filing/free-file-do-your-federal-taxes-for-free>

Note: COVID is still impacting some VITA and AARP tax sites, so you’ll have to contact them directly to find out if, and when, their services will be available and any constraints.

COAST GUARD RESOURCES: I recently came across some websites and resources related to Coast Guard personnel. Since I haven't really covered much CG specific info, I thought I'd add the info to this newsletter. If you Coasties already know all this, my apologies for wasting your time. The following link is to the Retirement and Annuitant Services section of the US Coast Guard Pay and Personnel Center (PPC). It has information on establishing an account with them, retiree/veteran events, filing your retirement package, etc. [Pay and Personnel Center \(PPC\), Retiree and Annuitant Services, Retirement Processing \(uscg.mil\)](#)

The following link will take you to the CG Retiree Services site which has lots of information pertaining to CG retirees and connects to the Coast Guard National Retiree Council page: [Retiree Services Program \(uscg.mil\)](#) I looked over some of the CG Retiree Council meeting reports, to compare with some of the other Services, and found them interesting.

You can find editions of the "Long Blue Line" here: [LONG BLUE LINE](#) You can also see and search for assorted articles at the following link: [My Coast Guard News \(uscg.mil\)](#)

I also came across what I feel is a great reference document titled "Information for Survivors of USCG, USCGR, NOAA and PHS Retirees." It has info on filing a report of death, unpaid retired pay, survivor annuities, federal benefits, common questions after the death of a retiree, etc. and it is dated 4 Oct 2021, so it is very current. You can find a pdf file of this document at the following link: [survivorguide.pdf \(uscg.mil\)](#)

MILCONNECT SITE: I've heard some customers talk about using a milConnect website account for various things, but I have never used it. Some told me one thing you can do is access your Official Military Personnel File (OMPF), so I recently decided to check it out. I found I could go and select which records I wanted from four different groups (Service, Professional History, Performance and Administrative) and submit my request online. About 10-20 minutes after submitting my request I got an e-mail saying that pdf files of the records I requested were on the site and providing me with directions on how to access them. I had over 70 that I could download and save to my home computer - enlistment forms, active-duty service commitment forms, DD214, OPRs, award citations, promotion orders, etc. The e-mail indicated the records would be in my account for 10 days and then deleted from there. While some of the documents were not very clear after being scanned into the system, I was still impressed. I just wanted to see what was in my OMPF on the site but there are many other things you can do from milConnect - manage health benefits, manage SGLI, get proof of health coverage, update personal contact info, etc. You do not need a Common Access Card (CAC) to access milConnect, you can use a DS Logon ID and create a password. You can log in or create an account at [milConnect \(osd.mil\)](#)

ENROLLING IN MEDICARE, TRICARE, FEDVIP, ETC. OUTSIDE OPEN SEASON: Most people are required to sign up for these types of insurance during the "open enrollment season" each year, typically around Oct to Dec each year. However, people are allowed to sign up outside open season if they have a Qualifying Life Event (QLE). A QLE is a change in your life such as marriage, divorce, birth of a child, or job loss that qualifies you to enroll in, change or cancel benefits coverage. **Participation in a TRICARE healthcare plan is required to enroll in and receive Federal Employee Dental & Vision Insurance Plan (FEDVIP) vision coverage but NOT dental or Federal Long Term Care Insurance Program (FLTCIP) coverage.** In addition, **QLEs for Tricare and FEDVIP are not the same.** You should check the specific QLE information for TRICARE (<https://tricare.mil/LifeEvents>) and FEDVIP ([Qualifying Life Events \(QLEs\) | BENEFEDS](#)) to make sure you understand what qualifies as a QLE in each program and allows changes to your coverage outside of open season.

"SOLDIER FOR LIFE" STICKERS: These stickers are officially known as Department of the Army Label 180 (Exterior) and 180-1 (Interior). Both stickers **may** be provided by a Retiree Services Office (RSO) or you may purchase them from the Exchange and other retail businesses. [Soldier For Life Decal | Logo Gear | Military | Shop The Exchange \(shopmyexchange.com\)](#) The sticker does not include the word "Retired" because it represents every Soldier for Life, including veterans who are not retired. The only installation RSO in Colorado is at Ft. Carson - (719) 526-2840 usarmy.carson.rso@mail. The Army Reserve RSO for Colorado is the 88th Readiness Division Ft. McCoy, Wisconsin Office: (608) 388-7448 RSO email: usarmy.usarc.88-rd.mbx.retirement-services1@mail.mil

PHARMACY LOBBY CLOSURE: The pharmacy lobby is scheduled to be closed between 28 Feb and 11 Mar due to construction within the lobby. The pharmacy will remain open with normal duty hours but will be drive through **ONLY** during this time. As a reminder, prescriptions are able to be picked up and dropped off through the drive through. **Additionally, the MedSafe Drug Take Back bin will be unavailable, and the pharmacy will NOT be able to accept medication returns for destruction during this time.**

COVID FUNERAL ASSISTANCE: Under the Coronavirus Response and Relief Supplemental Appropriations Act of 2021 and the American Rescue Plan Act of 2021, **FEMA is providing financial assistance for COVID-19 related funeral expenses incurred on or after January 20, 2020. This federal program can reimburse families up to \$9,000 for funeral costs** for loved ones who died of COVID-19. You can call a dedicated, toll-free phone number (844-684-6333) to complete your COVID-19 Funeral Assistance application with a FEMA representative. Multilingual services are available. For additional information regarding requirements for this assistance, and other details, see the following link: [COVID-19 Funeral Assistance | FEMA.gov](#)

ARMY GUARD/RESERVE RETIREMENT PROCESSING: The 88th Readiness Division (RD) Retiree Services Officer (RSO) out of Fort McCoy handles Army Reserve retirees for about 19 states, Colorado being one of them. Randy Stroud in Centennial works with Colorado Army National Guard retirees. The RSOs in the 88th RD can also assist a National Guard retiree just as Randy can also help a Reserve retiree and retirees from other states. National Guard and Reserve systems don't talk to each other so the 88th can't see Guard records and Randy can't see Reserve records.

88th Readiness Division Ft. McCoy

Wisconsin Office: (608) 388-7448 RSO email: usarmy.usarc.88-rd.mbx.retirement-services1@mail.mil

Ms. Carolyn Hill is the Survivor Benefits Plan (SBP) councilor at the Fort Carson Transition center and normally only works with Army Guard Reserve (AGR) and Active Army retirements. Ft. Carson - (719) 526-2840 usarmy.carson.rso@mail. Randy Stroud is a qualified RSO and Reserve Component Survivor Benefits Plan (RCSBP) / Survivor Benefits Plan (SBP) councilor and works with AGR and M-Day Soldier (Army National Guard soldier who performs weekend drill but is not on full-time duty) to go over the benefit.

The application process for retirees with early age eligibility (before age 60) is basically the same process. The main difference is the retiree has to submit the DD 214 for each period of early age eligibility with their application for retired pay and Army Human Resources Command (HRC) Gray Area Retirements Branch determines if it meets the criteria to draw retirement pay early. One note is that Tricare eligibly is still age 60 no matter how much early age eligibility the retiree has.

It is very important that retirees meet with an RSO and submit their application for retired pay 9 months before their retirement pay eligibility date. HRC is backed up and (as of Dec 2021) packets are taking six to seven months to process through HRC and DFAS before a retiree can get paid.

You can find the website for the retirement portion of the 88th RD at: [Retirement \(army.mil\)](#)

As of Jan 2022, RSO POCs listed on the 88th RD website are shown below. Refer to the website for updates.

DFAS CUSTOMER SUBMISSION TOOL OVERVIEW FOR RETIREES/ANNUITANTS: We recently received two documents from the Defense Finance & Accounting Service (DFAS) – Customer Submission Tool

Overviews for both military retirees and annuitants. We have posted both of these to the RAO website so you can find them at [Buckley Space Force Base > Units > Retiree Activities Office](#)

BENEFITS FOR SURVIVORS OF VETERANS: There are numerous benefits available to the survivors of veterans. The following link is to just one website that discusses some of these benefits, like Dependency and Indemnity Compensation (DIC), Aid and Attendance, CHAMPVA, burial benefits, etc. [Surviving Spouse Benefits from the Department of Veterans Affairs \(veteransaidbenefit.org\)](#)

MEDICARE PART B PREMIUM INCREASE FOR 2022: Medicare Part B premiums rose by the highest level in the program's history in 2022, with most Part B users paying 14.5% more than they did in 2021. The Standard Part B 2022 premium of \$170.10 is up from \$148.50 in 2021. This is the monthly amount paid by beneficiaries who had a modified gross adjusted income of \$91,000 or less on their 2020 individual tax return or \$182,000 or less on a 2020 joint return. The increase last year was just 2.7%.

"WIDOWS TAX" OFFSET PHASE 2 FOR 2022: 2022 is the second year of a three-year phase out of what has been known as the "widow's tax," which required forfeiture of a dollar of Survivor Benefit Plan (SBP) for every dollar of Dependency and Indemnity Compensation (DIC) received. Remember, this is only applicable to those surviving spouses who qualify for **both** DIC and SBP and are in receipt of the Special Survivor Indemnity Allowance (SSIA). In Phase 1 (2021), surviving spouse SBP payments were reduced, or offset, **by two-thirds** of the DIC rather than the full dollar-for-dollar reduction. For many surviving spouses, this resulted in an increase in the amount of SBP paid as the gross amount of their SBP exceeded two-thirds of the DIC. Others have had to wait to see an increase in their benefit. We are now nearing the start of Phase 2 of the elimination of the offset for which the amount offset (or deducted) from the SBP will be reduced to **one-third** of the DIC payment. To estimate your benefit, subtract one-third of your current base DIC payment from your current gross SBP benefit. The result is approximately what your SBP payment will be in the second phase, plus any COLAs, which is approximately 5.9%.

Here is an example of how this offset works: We will assume a COLA of 5.9% for 2022, which puts the projected 2022 base DIC amount at approximately \$1,437.66. One-third of that new DIC amount is \$479.22. This is the amount you will subtract from your gross SBP amount. So, if your gross SBP without offset is \$1,000, then you would subtract \$479.22 from \$1,000 to give you a 2022 SBP payment of \$520.78 (\$1,000-\$479.22). You would also receive the SSIA, which is projected to be approximately \$346.

These new changes will be effective in January 2022, which you will see reflected on the payment you should receive on Feb. 1, 2022. If you do not know your gross SBP, you can find that on your annuitant account statements, available in your myPay account. You should also have received an annuity statement in the mail in December 2021. There are no changes to the post-9/11 active duty survivor child-only SBP option until 2023, and these changes do not impact the retiree child-only SBP option.

SHINGLES VACCINE AND TRICARE: Tricare covers the shingles vaccine in two different ways - under your medical coverage or under your pharmacy coverage. If you are age 64 or under and using Tricare Select or Tricare Prime, both plans cover the full cost of the shot with no cost to you, whether you get vaccinated at a pharmacy or a doctor's office. In these cases, you can use any Tricare network pharmacy or network provider. If you are 65 or over and using Tricare for Life (TFL) then Medicare (original or Advantage plan) is your primary health coverage and it covers the vaccine, but under their pharmacy, Part D, insurance, which the vast majority of military retirees **don't** use since they use the Tricare pharmacy plan. In these cases, the entire cost of the shot would fall to TFL as the Medicare supplement. In this situation, if you get the shot at a Tricare network pharmacy all the costs will be covered by TFL. However, if you go to a doctor's office then TFL covers the shot as **medical** coverage and TFL deductible and cost shares apply.

STATE LEVEL MILITARY BENEFITS FOR SURVIVING SPOUSES: Many surviving spouses receive federal survivor benefits from DoD and Veterans Affairs (VA) but aren't aware state-level benefits are available to those who meet specific criteria and there is no one-stop-shop website for military survivors. The number of benefits offered to veterans can vary from state to state with some offering as many as 60 and others as few as 22. The challenge is determining which of those benefits are passed on to the survivor after the veteran or servicemember dies. To determine what state benefits are available to survivors, begin by looking at the individual state benefits for veterans using the following link: [State Veteran Benefit Finder | Center for a New American Security \(en-US\) \(cnas.org\)](https://cnas.org) Once on the site, locate the state you are targeting and then search for the "Beneficiary" category. It is important to verify your eligibility since some of the webpages might be outdated.

Some state benefits include (again, they vary by state):

- Academic scholarships
- Property tax exemption or reduction of property tax (For example: Military surviving spouses who receive Dependency and Indemnity Compensation from the VA are eligible for up to a \$45,000 deduction in the assessed value of their home for property tax purposes.)
- Survivor Benefit Plan tax exemption for state tax
- Free admission to national parks
- Free fishing and hunting license

NEW VA PRESUMPTIVES: (I got this post from the Vance AFB newsletter) You may be eligible for newly enacted service-connected benefits. Over the course of the last six months, the Department of Veterans Affairs (VA) has begun processing service-connected disability claims for **six new presumptive conditions related to environmental exposures during military service**. Veterans should be aware of these newly added presumptive conditions and Veteran Service Officers (VSOs) can help them file a claim and obtain any earned benefits. **In May 2021, VA started implementing provisions of the William M. Thornberry National Defense Authorization Act for Fiscal Year 2021 (NDAA), adding bladder cancer, hypothyroidism and Parkinsonism to the list of medical conditions presumptively associated with exposure to Agent Orange. A few months later VA added asthma, rhinitis and sinusitis (to include rhinosinusitis) on a presumptive basis based on particulate matter exposures during military service in Southwest Asia and certain other areas.** Any Veteran who was previously denied service-connection for any of these six conditions but had symptoms manifest within 10 years of military service would need to file a supplemental claim. Be sure to use VA Form 20-0995, *Decision Review Request: Supplemental Claim* when filing. The claim form should include the name of the condition and specify that the condition is being claimed due to in-service exposure to environmental hazards. The VA is committed to assisting Veterans who may have been exposed to hazardous materials during their military service. www.va.gov has the most recent news on environmental exposures during military service, as VA is constantly conducting research and surveillance as well as reviewing scientific literature for conditions that may be related to exposure during military service.

PHARMACY VOLUNTEERS NEEDED & LINE RECOMMENDATIONS: The Buckley SFB Pharmacy is in dire need of volunteers, and they asked me to advertise that in our newsletter. Volunteers will need to be fully vaccinated and may need to complete some training. Anyone interested in more information can **call the pharmacy at (720) 847-9355 (Option 4, then Option 3) to inquire or to get started**. In addition, for those who have trouble standing while waiting for a prescription pick-up in the lobby, they highly recommend you use the drive thru. Prior to COVID, the drive-thru was strictly pick-up only but that is no longer the case. Everything you need from the pharmacy can now be accomplished using the drive thru.

PHARMACY HOURS: As of 1 Jan, the pharmacy implemented the following new hours: Mon-Fri 0800-1700. In addition, they will be **closed** on the second Wed of each month for a Training Day (**9 Feb** for this month). In Feb they are also closed on **18 & 21 Feb** for Family Day and President's Day. Please remember holidays, family days, etc. can impact these hours so you can always check the Buckley SFB Facebook page for the latest info on hours.

PHARMACY - PATIENT ADVOCATE E-MAIL ADDRESS: As you know, pharmacy patient advocates are available to hear your comments and concerns related to pharmacy operations. There are forms available in the pharmacy for you to submit comments to them, but with the pandemic you don't have access to those. The pharmacy has established an e-mail inbox for the patient advocates so you can now e-mail them directly at the pharmacy patient advocate org box: usaf.buckley.460sw-mdg.mbx.pharmacy-patient-advocate@mail.mil .

WHERE CAN I GET RID OF UNUSED/UNWANTED MEDICATIONS? Do you have unused/unwanted medications you are trying to dispose of safely/properly? **The Buckley SFB pharmacy does have a drop box in the lobby to take your unwanted medications**. If that is not convenient for you, you can locate other places using the following link: [Colorado Household Medication Take-Back Program | Department of Public Health & Environment](#) You can also try the following links: [Medication Disposal Near Me | CVS Pharmacy](#) [Safe medication disposal | Walgreens](#) [Drug Drop Box | Littleton CO \(littletongov.org\)](#)

MY AIR FORCE BENEFITS WEBSITE: While the site is mainly focused on active-duty folks, there is a **lot** of information on there of interest to retirees/surviving spouses as well. The site has about 180 fact sheets on various benefits and a section for "Transition and Retirement Planning." If you look under the "Benefit Library" tab (top left of the page), and click on the "Resource Locator" link, you can then click on CO (or any other state) to see a wealth of information on resources in your state (with base specific resources as well). I strongly encourage you to check out this website. [Home | An Official Air Force Benefits Website \(af.mil\)](#)

TRICARE PHARMACY RATES CHANGING 1 JANUARY 2022: Do you get your prescription drugs through TRICARE Pharmacy Home Delivery or at a TRICARE retail network pharmacy? If so, you'll pay anywhere from \$1 to \$8 more in copayments starting Jan. 1. These costs changes won't affect all beneficiaries. Check this link for details: [Changes to Your TRICARE Prescription Drug Copayments In 2022 | TRICARE Pharmacy Program | Express Scripts \(express-scripts.com\)](#)

NEW MYPAY ACCOUNT AVAILABLE FOR GRAY AREA RETIREES: Army National Guard, Air National Guard, Army Reserve, Navy Reserve, Marine Corps Reserve and Air Force Reserve Gray Area Retirees now have a new way to stay connected and informed between the time they stop drilling and the time they start receiving retired pay - a new type of myPay account especially for Gray Area Retirees. Gray Area Retirees who use the new myPay account to keep their contact information updated can benefit by receiving important information from DFAS and their Branch of Service, such as news about changes in laws or policies that impact your retirement benefits, reminders about applying for retired pay, and your Services' Retiree Newsletter. **Another major benefit, with current contact information in your myPay account, when you apply for retired pay, DFAS will email you status notifications: when your application was received, when it is being worked, and when it is complete.** With the new myPay account you can confirm or update your email/ mailing address and, when you apply for retired pay, you can use it to make sure your direct deposit information is current. For more info on this capability, and now to create an account, refer to the September DFAS Retiree Newsletter (see link in previous article). There is also an entire DFAS page for Gray Area Retirees: [Gray Area Retirees \(dfas.mil\)](#) **On the RAO website we have also posted an article from DFAS on the new Gray Area Retiree MyPay accounts with lots of great information on how to get started -** [Buckley Space Force Base > Units > Retiree Activities Office](#)

VETERAN SERVICE OFFICER (VSO) LOCATION IN AURORA: Those of you who have used VSOs may know the main offices for the Adams and Arapahoe County VSOs are both on the west side of town (Littleton and Westminster), not in our local area. Needless to say, these locations are not convenient for the nearly 80k vets living in these two counties. The new office, located at Arapahoe County's Altura Plaza facility, 15400 E. 14th Place in Aurora (basically at Colfax and Chambers), provides a more convenient option. The office is jointly funded by Adams and Arapahoe County. There is no unique phone number for this VSO location, and you won't see this location listed on the VSO website that has all the counties in CO. You use the phone numbers for the Adams & Arapahoe County VSOs that you find on the website and, if you are scheduling an in-person appointment, just let them know you want to meet at the office in Aurora. The following link will show you all the VSOs for every county in CO, and the contact info for each (phone and e-mail). [County Veterans Service Offices | Colorado Division of Veterans Affairs](#)

VETERANS AFFAIRS AID AND ATTENDANCE BENEFITS: What is the aid and attendance benefit? Wartime veterans and their surviving spouses, 65 years and older, may be entitled to a tax-free benefit called Aid and Attendance (A&A) provided by the Department of Veteran Affairs (VA). The Benefit is designed to provide financial aid to help offset the cost of long-term care for those who need assistance with at least two of the daily activities of living. The daily activities of living are generally agreed to be those which are described below:

1. Personal hygiene - bathing/showering, grooming, nail care, and oral care.
2. Dressing - being able to make appropriate clothing decisions and physically dress and undress oneself.
3. Eating - the ability to feed oneself, though not necessarily the capability to prepare food.
4. Maintaining continence - being able to mentally and physically use a restroom. This includes the ability to get on and off the toilet and cleaning oneself.
5. Transferring/Mobility - being able to stand from a sitting position, as well as get in and out of bed. The ability to walk independently from one location to another.

For more information on this benefit see the following website: [Aid And Attendance Benefits And Housebound Allowance | VA.gov | Veterans Affairs](#)

MOAA SURVIVING SPOUSES AND FRIENDS FACEBOOK PAGE: The Military Officer's Association of America (MOAA) has a Facebook group called the "MOAA Surviving Spouses and Friends." The group's purpose is to provide support and focus on issues and topics of interest to MOAA's surviving spouses. **You do not need to be a MOAA member, or the surviving spouse of an officer, to join this group - surviving spouses of enlisted member are welcome.** Please share the group with those who need information about pre-planning, survivor benefits, surviving spouse issues, and MOAA issues that impact survivors. They welcome and encourage your comments and questions regarding various subjects related to service and benefits. When asking to join this group, you simply answer a few questions for the administrators, who will determine your eligibility to join the group. I myself joined this group as a way to keep abreast of issues of interest to surviving spouses, perhaps provide some insight on various issues we deal with in the Buckley SFB military Retiree Activities Office (RAO), etc. You can reach this page using the following link: [\(1\) MOAA Surviving Spouses And Friends | Facebook](#)

COMMISSARY SALES FLYER: For those who don't know already, you can access the current commissary sales flyer online by going to the following link: [Home | Commissaries](#) Once on the page, click on the "Sales Flyer" banner in the upper right of the page, then click on "Confirm Your Privileges", fill out the info on the form, and click "Submit." You can then click on the link to see a PDF file of the latest sales flyer.

LEGAL OFFICE OPENS "LIMITED SERVICES" FOR RETIREES & DEPENDENTS: Legal is once again providing **limited** legal assistance services for military retirees and their dependents. **Wills for retirees and dependents will only be done on Thursdays of each week from 1300 to 1500 and you must have an appointment.** For notary services and powers of attorney, walk-ins for retirees are available on Mondays and Wednesdays from 0800-1200. Retirees have the option of conducting their legal assistance appointment by telephone or in person. Legal expects the will appointments to fill up very quickly and they will **not** have a "waitlist." Thus, legal may ask that retirees call back in 2-3 weeks to check for open appointments once they are booked for several weeks. **Prior to scheduling an appointment for a will, medical directive or power of attorney, legal will require a ticket # or worksheet, as well as your DoD ID Number** which is located in the lower right front of the old (DD Fm 2) ID card (10-digit number). You can obtain a ticket # from the AF legal assistance website at [U.S. Air Force Legal Assistance \(AFLASS\)](#) when you go to the site to fill out the required information for whatever document it is you want completed. **If you call legal to make an appointment, they will not give you an appointment unless you have the ticket number issued by the website.** For any questions call base legal at 720-847-6444.

HOW TO CREATE A MYPAY ACCOUNT WITH DEFENSE FINANCE & ACCOUNTING SERVICE (DFAS): If you don't have a MyPay account with DFAS I recommend you create one. With your own account you can download your Form 1099 for taxes, print a copy of your Retiree Account Statement (RAS), set up beneficiaries for Arrears of Pay, update your mailing and e-mail address, adjust federal and state withholding for taxes, etc. You start by requesting an initial password on the myPay homepage ([myPay Web Site \(dfas.mil\)](#)) using the "Forgot or Need a Password" link. The password will be mailed to the address you have on file with DFAS and you will receive it in about 10 business days. Once you receive your password in the mail, you return to the myPay homepage and log in with your social security number and the password you received in the mail to create your myPay profile. DFAS has a downloadable step-by-step Get Started Guide to myPay on their website and a how-to video on the DFAS YouTube channel. For additional info on obtaining a MyAccount you can visit: <https://www.dfas.mil/retiredmilitary/manage/mypay/>

VETERANS ADMINISTRATION (VA) NEW WEB FEATURE & PHONE NUMBER: The VA has launched a new web feature and new phone number designed to ease frustrations faced by veterans trying to connect with services and resources.

Beneficiaries can now update their contact information via their [VA.gov profile](#), and the change will synchronize across VA networks. Veterans can enter demographic information - including a phone number, email addresses, home addresses, and disability ratings *one time* and have it change across networks addressing health care, disability compensation, pension benefits, claims/appeals, and the Veteran Readiness and Employment (VR&E) program. Previously, if a veteran needed to change any demographic information, they were required to call *each*

individual VA network where that information is on file. (Veterans still must connect with separate offices to change details regarding education and home loan benefits, CHAMPVA, Veterans' Mortgage Life Insurance, and The Foreign Medical Program.) Step-by-step instructions on changing your address are available [at this link](#).

The administration also has officially launched the **My VA hotline**, which will serve as the starting point to all VA contact centers and will help veterans find the right person to address their needs. Veterans can call 1-800-MyVA411 (1-800-698-2411) with the option to press 0 to be immediately connected with a customer service agent to answer questions or connect to the appropriate VA expert. The hotline operates 24 hours a day, 365 days a year. **Please remember you always have access to local Veteran Service Officers (VSOs) here in CO. Locate the one closest to you using the following link:** <https://www.colorado.gov/pacific/vets/county-veterans-service-offices>

The VA also maintains the Veterans Crisis Line at 1-800-273-8255, by chat at veteranscrisisline.net and by text message at 838255. The VA also maintains the White House VA Hotline at 1-855-948-2311 which can be used "for Veterans and their families to share compliments and concerns," per the release.

BUCKLEY SFB AGENT LETTERS - WHAT ARE THEY? Did you know if you are a family member of an elderly military retiree, or their surviving spouse, that has trouble getting around on their own you may be able to get authorization to shop for them, as their "agent", at the commissary, exchange and base pharmacy? You will require a letter from the care provider of the retiree/surviving spouse, which you will then take to the MPF in Bldg 606, where you (the "agent") and the retiree/surviving spouse will fill out a "Commissary/AAFES/MWR Escort Authorizations" form. You will need two forms of ID, the agent's driver's license the sponsors military ID. Once the form is completed you will be issued an "Agent Letter" which you will take to the Visitor Control Center (VCC) by the 6th Ave gate and Security will issue you a card/letter which will allow you to access the base and use those facilities without your retiree/surviving spouse being with you. For any questions, or more details, on this process please contact the MPF at 720-847-6974 (per the above form).

CASUALTY ASSISTANCE: If you know of a recently deceased military retiree, surviving spouse of a military retiree or a veteran who was receiving a disability payment from the U.S. Department of Veterans Affairs (VA) the RAO can provide guidance making the necessary notifications. For those receiving a military pension, Survivor Benefit Plan (SBP) payments, VA disability payments or Dependency and Indemnity payments notifications must be made to the Defense Finance & Accounting Service (DFAS), VA, etc. The RAO can put you in touch with the Buckley AFB Casualty Assistance Representative (CAR), provide you with a "checklist" to help guide you through process, provide you with phone numbers and websites for various organizations, etc. Please contact the RAO (720-847-6693) with any questions.

EMPLOYMENT SERVICES FOR VETERANS: Arapahoe/Douglas Works! (A/D Works!) Workforce Center is a member of the Colorado Department of Labor and Employment and provides a variety of no-cost services to veteran job seekers; resources and workshops for a self-directed job search, one-on-one employment counseling, customizing resumes, referrals to other state and federal agencies and training assistance. For more information you can visit their website at <http://www.adworks.org/> Just FYI, there is an A/D Works! Veterans Employment Specialist that works several days a week in Bldg 606 on base (when non-mission essential personnel are allowed back in their offices on Buckley AFB). For more info you can also contact the AD Works! Call Center at (303) 636-1160 and ask to be contacted to a Veterans Employment Team Member.

HAVE YOU EXPERIENCED UNSATISFACTORY SERVICE FROM THE RAO? We are staffed completely with volunteers who do their very best to help with your issues. While we always strive to provide you with the best possible support, we realize there may be times you experience what you consider to be unsatisfactory customer service when you contact the RAO. Perhaps you never received a response to a voice mail/e-mail you left, you got inaccurate information regarding a question you had or the person who helped you was unable to provide an adequate answer to your question. **If you are ever dissatisfied with the support you get from the RAO please contact the RAO Director to discuss the situation.** The best way to reach me is via my home e-mail - elkfive@centurylink.net.

COAST GUARD NATIONAL RETIREE HELP DESK (NRHD) HOTLINE: For any questions a retiree or retiree spouse has regarding benefits (other than those related to pay) such as health care issues, assistance obtaining important forms and/or papers, etc. call 1-888-224-6743 or e-mail nrhdesk@gmail.com. For questions concerning pay call 1-866-772-8724 or e-mail ppc-dg-customer-care@uscg.mil.

CORRECTING & REQUESTING MILITARY RECORDS: On 5 Apr 2021 the Department of the Air Force debuted a new website for past and present Airmen and Space Guardians to correct their military records. To make the portal accessible to both active-duty and retired service members, the website does **not** require a Common Access Card (CAC). Instead, a unique e-application number will be provided to track each case. While members can still submit applications via mail, processing times may be slower. Members can use their unique e-application number to check the status of their application, whether it was submitted online or via mail.

The application portal has a decision tree that guides members through the process of figuring out which board they should apply to and determine their eligibility to apply based on their service and the issue they're trying to get corrected for the records.

Members, and those submitting on their behalf, can submit applications and supporting documents to four boards: The Air Force Board for Correction of Military Records, Air Force Discharge Review Board, Department of Defense Discharge Appeal Review Board and Department of Defense Physical Disability Board of Review.

The **records correction website** is at <https://Afrba-portal.cce.af.mil>.

In many instances, records that are available in electronic formats may also be accessed directly by veterans, without involvement from National Personnel Records Center (NPRC - 866-272-6272). We understand these are **not** CAC card sites and all you need is a DS Logon or ID.ME account. Basically, each of the options listed here are veteran's self-service portals for VA claims, VA healthcare and retiree DFAS pay. Some options are below:

Department of Veterans Affairs (VA) eBenefits application at <https://www.ebenefits.va.gov/ebenefits/homepage>

Department of Defense milConnect application at <https://milconnect.dmdc.osd.mil/milconnect/>.

Modern military medical records may be accessed through the VA's Blue Button application at <https://www.va.gov/health-care/get-medical-records/>.

For more information regarding the online availability of VA and military records, please visit <https://www.va.gov/records/>

If a veteran has filed for disability or pension benefits before, the VA may have pulled their DD-214. If so, VSOs who have access to the Veterans Benefits Management System (VBMS) can look into their file and retrieve it. Be aware this is dependent on each individual VSO and the counties they work in as to whether this is possible. **Even if requesting records from NPRC we recommend contacting your VSO to assist in the request.**

Another place you can request a copy of your DD-214 is through the State Veterans Department from whichever state was your home of record at discharge. As mentioned, you can always contact a local Veteran Service Officer (VSO) to request assistance in getting a copy of your records. You can find a VSO closest to you using the following website: [Veteran Service Officers - List of Where to Find \(nvf.org\)](http://www.nvf.org)

You can also request a copy of your records (DD-214, Official Military Personnel File, Replacement Medals, Medical and Health Records) from the National Archives in a number of ways. You can make your request online at the National Archives website, you can fill out and submit a form SF-180 and mail/Fax it or you can write a letter to the National Archives.

You can find additional information on getting copies of your records from the National Archives web site at <https://www.archives.gov/personnel-records-center/military-personnel> or calling 314-801-0800.

REPORTING THE DEATH OF A RETIREE TO DFAS ONLINE: DFAS has re-introduced the option to report the death of a retiree online. To use the online Notice of Death option, click on the link at the top of the Retired Military & Annuitants main page, which is located at <https://www.dfas.mil/retiredmilitary.html>. This will take you to a form where you will enter all of the pertinent information. When reporting a retiree's death, be sure to have the following information available:

- Retiree's full name
- Retiree's SSN
- Retiree's date of death
- Cause of death
- Marital status (if married, the wedding date)

The form also asks for your name, address, phone number and email address. If you are completing this form on behalf of someone else, such as the spouse or child of the deceased retiree, please use the contact information of the person you are helping to make the report. Updates on the status of the claim will be sent to the email address provided, including an email verifying that the notification was received. If you need any assistance you can always contact the Buckley AFB Casualty Assistance Representative, Loretta Lopez, at 720-847-6946.

STATE VA BENEFITS: Everyone knows about the federal benefits available to veterans, but did you know many states also offer great benefits to their veterans? State benefits range from free college and employment resources to free hunting and fishing licenses. Most states also offer tax breaks for their veterans and specialized license plates, some states even provide their veterans with cash bonuses just for serving in the military. A handy summary of the benefits each state and territory offers can be found here: <https://militarybenefits.info/state-veterans-benefits/> There may be a benefit available to you or your family that you didn't know about! LIFE CHANGING EVENT? KEEP DFAS INFORMED: Ensuring your retired pay comes to you accurately and on time is the primary goal at DFAS. To do this, they need your help to keep your account up to date. *Keeping your account up to date includes making sure your mailing address, banking information, allotments, tax withholding status, and your beneficiary choices are current. Be sure to report any change of life events as soon as they happen.* These life-changing events include:

- Marriage
- Divorce
- Death of a spouse or child
- Birth or adoption of a child

Some changes, especially those regarding SBP, have a one-year time limit, so it is very important that DFAS is notified of life-changing events when they happen. When you notify them, be sure to include supporting documents, such as birth or marriage certificates. Keeping your contact information updated is also key to staying informed. DFAS occasionally sends out correspondence regarding changes in the law that affect your pay, and a new Retired Account Statement (RAS) is sent when your net pay changes (unless you are on **myPay** where the new RAS is available online). **If your mailing address is not correct and you are not on myPay, they have no way of notifying you about changes. The easiest way to stay up to date is to use myPay. You can use myPay to change your mailing address, your direct deposit information, Survivor Benefit Plan (SBP) coverage, certain allotments and your tax withholding status. You can create a myPay account at <https://mypay.dfas.mil/>**
