MILITARY RETIREES CAN RENEW U.S. PASSPORTS ONLINE: The State Department has announced that active-duty, reserve and retired service members, and DoD civilians and contractors and their families can now renew their U.S. passports online. An online portal, available 23 Dec 21, will enable customers to renew their passports from the convenience of their homes 24/7 without having to go to a post office to mail their application and supporting documents. See the following link for more information: [You Can Now Renew Your Passport Online | Military.com](#)

MEDICARE COVERAGE FOR AT-HOME COVID TESTS: TRICARE for Life (TFL) beneficiaries will soon be able to access free at-home COVID tests due to a Medicare coverage expansion. On 3 Feb the Centers for Medicare and Medicaid Services (CMS) announced Medicare beneficiaries will have access to eight free, over-the-counter, at-home COVID test kits per month starting in early spring. The tests will be available through eligible pharmacies and other participating entities. Because they are enrolled in Medicare, TFL beneficiaries will have access to the free kits once the Medicare program is implemented. All other TRICARE beneficiaries (Prime, Select, etc.) are still subject to TRICARE policy, which currently does **not** cover over-the-counter COVID test kits. All health insurance companies and group health plans are subject to the federal requirement to cover the at-home kits at zero out-of-pocket cost for covered individuals. Because TRICARE is a health care program, not insurance, it is **not** subject to federal requirements governing health insurance. TRICARE will cover the cost of an at-home test kit **if one is ordered by a TRICARE-authorized provider**. Also, **every** U.S. home can order four free at-home kits via [COVIDTests.gov](#) regardless of health insurance coverage.

BURN PIT BILL AIMS TO EXPAND VA ACCESS FOR POST-9/11 VETERANS: The bipartisan Health Care for Burn Pit Veterans Act, passed by the Senate Committee on Veterans' Affairs (SVAC) on 2 Feb, would expand VA eligibility to about 1 million Post-9/11 combat veterans, with the goal of improving access to treatment for conditions stemming from toxic exposure. The bill would open VA health care eligibility for these veterans from five years after discharge to 10 and would also allow for a one-year open enrollment period for any Post-9/11 combat veterans outside that 10-year window. The bill is the first in a three-phase plan to expand benefits. The second phase would involve the creation of a "new, transparent process" for the VA in determining what illnesses can be presumptively connected to toxic exposure, while the third phase would provide "overdue benefits to thousands of toxic exposure veterans who have been long ignored or forgotten." The bill also requires several studies related to toxic exposure, including one on mortality rates of veterans who served in Southwest Asia during the Persian Gulf War. It would increase VA reporting requirements and outreach efforts on toxic exposure and require the VA provide a toxic exposure screening for all veterans during medical visits.

END OF LIFE PLANNING: This is a subject we in the RAO bring up periodically. We get quite a few calls from the surviving spouses when their military retiree spouse passes away, and most find very little planning was done that would help them deal with all the notifications and actions that need to be taken. Most people would list a will, a trust, an advance directive, a DNR (do not resuscitate) order, and a durable power of attorney among end-of-life documents. However, the list of documents that deal with end-of-life issues is much longer. Deeds to real property, beneficiary declaration for life insurance, the signature card to a bank account, and many others, are all end-of-life documents. They all determine who gets what and through which legal procedure when someone dies. Fortunately, there are many checklists to help create an end-of-life plan available through a number of trustworthy organizations like Veterans Affairs, Military.com, and the RAO. Some are more comprehensive than others, some are free, and some are not. While doing this properly requires a lot of work, we strongly recommend you do some research, pick a checklist, or create one of your own, and get to work on completing this project **before** you need it. You may need to consult various professionals - lawyer, accountant, insurance agent, financial advisor, etc. - to help build the plan. Once complete, discuss your plan with those who hold health care proxy, powers of attorney, and other authority over your person and/or property, put documents in a safe place, and make sure those who will need them when you are gone know where they are. We recommend you review, update, redraft, and re-execute documents, lists, and paperwork annually, as needed.

EASY WAY TO PROPERLY DISPOSE OF A U.S. FLAG: A flag ceases to be a flag when it is cut into pieces. In addition, it is easier to completely incinerate the flag, if it is cut into smaller pieces. A flag should never be torn up, it should be cut up with scissors or shears in a methodical manner. The corners of the flag should be stretched out over a table-top and then cut in half, vertically (be careful not to cut up the blue star field (see the figure)). Then, place the two halves together and cut them in half, horizontally. You will end up with four pieces of flag, one being the blue star field.

NOTE: The reason you do not cut the blue star field is because it represents the union of the fifty states and one should never let the union be broken.

In addition, some military bases (Honor Guard, etc) may take U.S. flags for disposal, but some do not. The last time we checked, the Buckley AFB Honor Guard did not offer flag disposal services. Many state and county government offices and police stations also collect them. Organizations such as the American Legion, Veterans of

Foreign Wars (VFWs), the Boy Scouts of America (BSA) and some counties (at Department of Motor Vehicles, etc) are willing to take worn US flags to ensure they are disposed of properly.

TRAGEDY ASSISTANCE PROGRAM FOR SURVIVORS (TAPS): TAPS, is a 24/7 tragedy-assistance resource for anyone who has suffered the death of a military loved one, regardless of the relationship to the deceased or the circumstance of the death. The program provides comfort and care through comprehensive grief services and programs including peer-based emotional support, casework assistance, connections to community-based care and grief and trauma resources, at no cost to surviving families and loved ones. Since 1994 TAPS has provided compassionate care to all those grieving the death of a military loved one. If you are grieving the loss of a service member, or if you know someone who can use our support, the [TAPS 24/7 National Military Survivor Helpline](#) is always available toll-free with loving support and resources at 800-959-TAPS (8277).

INCOME TAX FILING ASSISTANCE: It's that time of year again so I thought some of you might be interested in some tax preparation options available in our area, if you don't do your own using Turbo Tax or whatever. While many places will do your taxes for a fee, there are at least two free alternatives.

The Volunteer Income Tax Assistance (VITA) program offers *free* tax help to people who generally make \$55,000 or less, persons with disabilities and limited English-speaking taxpayers who need assistance in preparing their own tax returns. IRS-certified volunteers provide free basic income tax return preparation with electronic filing to qualified individuals. While some RAOs have volunteers who take the VITA training and assist with taxes, we simply do not have the staff to provide that service.

In addition to VITA, the Tax Counseling for the Elderly (TCE) program offers free tax help for all taxpayers, particularly those who are 60 years of age and older, specializing in questions about pensions and retirement-related issues unique to seniors. The IRS-certified volunteers who provide tax counseling are often retired individuals associated with non-profit organizations that receive grants from the IRS. (The website below says TCE sites are currently closed due to COVID.) The web site at <https://www.irs.gov/individuals/free-tax-return-preparation-for-you-by-volunteers> provides you with two links where you can search (by zip code) for places near you that offer **free** tax return preparation by volunteers. One link is for the "VITA/TCE Locator Tool" and one is for the "AARP Tax-Aide Site Locator Tool."

The last time I checked, AARP will do taxes for *anyone* at no charge - you don't need to be an AARP member. When I checked in January, there were 20 different AARP tax-aid locations listed within 25 miles of my zip code - at libraries, retirement homes, senior centers, rec centers, etc. Some of them allow you to make appointments on-line and others you have to call. If you have additional questions for them, you can call the AARP tax-aid site located nearest you or visit [AARP Foundation Tax-Aide Locator](#). Some are starting up in Feb and some later, and it looks like most require an appointment. Call the specific site you are interested in for details.

As you know, if you do your own taxes you have numerous options when it comes to filing - essentially snail mail or electronically. When filing electronically, some tax software you buy (like Turbo Tax) will charge you to file your taxes and to have any refund deposited into your account. You may not know the IRS offers some free tax filing options (with various caveats). For more info on the IRS free options see the following link: <https://www.irs.gov/filing/free-file-do-your-federal-taxes-for-free>

Note: COVID is still impacting some VITA and AARP tax sites, so you'll have to contact them directly to find out if, and when, their services will be available and any constraints.

MILCONNECT SITE: I’ve heard some customers talk about using a milConnect website account for various things, but I have never used it. Some told me one thing you can do is access your Official Military Personnel File (OMPF), so I recently decided to check it out. I found I could go and select which records I wanted from four different groups (Service, Professional History, Performance and Administrative) and submit my request online. About 10-20 minutes after submitting my request I got an e-mail saying that pdf files of the records I requested were on the site and providing me with directions on how to access them. I had over 70 that I could download and save to my home computer - enlistment forms, active-duty service commitment forms, DD214, OPRs, award citations, promotion orders, etc. The e-mail indicated the records would be in my account for 10 days and then deleted from there. While some of the documents were not very clear after being scanned into the system, I was still impressed. I just wanted to see what was in my OMPF on the site but there are many other things you can do from milConnect - manage health benefits, manage SGLI, get proof of health coverage, update personal contact info, etc. You do not need a Common Access Card (CAC) to access milConnect, you can use a DS Logon ID and create a password. You can log in or create an account at [milConnect \(osd.mil\)](http://milConnect.osd.mil)

Be aware this may not work for everyone. One of the RAO volunteers tried it and got the following error message:

“Please do NOT reply to this email as this email address is not monitored.

Your request for Official Military Personnel File (OMPF) Information has been processed. However, unfortunately your record is not held in the Service digital image OMPF repository database. It is recommended that you initiate a request for your OMPF information to the National Personnel Records Center (NPRC) using this eVetRecs website at <http://www.archives.gov/veterans/military-service-records/>

Thank you for making a request for your OMPF record documents through DPRIS! This request will be closed and purged. “

PHARMACY LOBBY CLOSURE: The **pharmacy lobby is scheduled to be closed between 28 Feb and 11 Mar** due to construction within the lobby. The pharmacy will remain open with normal duty hours but will be drive through **ONLY** during this time. As a reminder, prescriptions are able to be picked up and dropped off through the drive through. **Additionally, the MedSafe Drug Take Back bin will be unavailable, and the pharmacy will NOT be able to accept medication returns for destruction during this time.**

COVID FUNERAL ASSISTANCE: Under the Coronavirus Response and Relief Supplemental Appropriations Act of 2021 and the American Rescue Plan Act of 2021, **FEMA is providing financial assistance for COVID-19 related funeral expenses incurred on or after January 20, 2020. This federal program can reimburse families up to \$9,000 for funeral costs** for loved ones who died of COVID-19. You can call a dedicated, toll-free phone number (844-684-6333) to complete your COVID-19 Funeral Assistance application with a FEMA representative. Multilingual services are available. For additional information regarding requirements for this assistance, and other details, see the following link: [COVID-19 Funeral Assistance | FEMA.gov](https://www.fema.gov/covid-19-funeral-assistance)

“WIDOWS TAX” OFFSET PHASE 2 FOR 2022: 2022 is the second year of a three-year phase out of what has been known as the "widow's tax," which required forfeiture of a dollar of Survivor Benefit Plan (SBP) for every dollar of Dependency and Indemnity Compensation (DIC) received. Remember, this is only applicable to those surviving spouses who qualify for **both** DIC and SBP and are in receipt of the Special Survivor Indemnity Allowance (SSIA). In Phase 1 (2021), surviving spouse SBP payments were reduced, or offset, **by two-thirds** of the DIC rather than the full dollar-for-dollar reduction. For many surviving spouses, this resulted in an increase in the amount of SBP paid as the gross amount of their SBP exceeded two-thirds of the DIC. Others have had to wait to see an increase in their benefit. We are now nearing the start of Phase 2 of the elimination of the offset for which the amount offset (or deducted) from the SBP will be reduced to **one-third** of the DIC payment. To estimate your benefit, subtract one-third of your current base DIC payment from your current gross SBP benefit. The result is approximately what your SBP payment will be in the second phase, plus any COLAs, which is approximately 5.9%.

Here is an example of how this offset works: We will assume a COLA of 5.9% for 2022, which puts the projected 2022 base DIC amount at approximately \$1,437.66. One-third of that new DIC amount is \$479.22. This is the amount you will subtract from your gross SBP amount. So, if your gross SBP without offset is \$1,000, then you would subtract \$479.22 from \$1,000 to give you a 2022 SBP payment of \$520.78 (\$1,000-\$479.22). You would also receive the SSIA, which is projected to be approximately \$346.

These new changes will be effective in January 2022, which you will see reflected on the payment you should receive on Feb. 1, 2022. If you do not know your gross SBP, you can find that on your annuitant account statements, available in your myPay account. You should also have received an annuity statement in the mail in December 2021. There are no changes to the post-9/11 active-duty survivor child-only SBP option until 2023, and these changes do not impact the retiree child-only SBP option.

DFAS has put together a new Quick Reference PDF document on the SBP-DIC Offset Phased Elimination that you can find at the following link: <https://www.dfas.mil/sbpdicnews>

PHARMACY VOLUNTEERS NEEDED & LINE RECOMMENDATIONS: The Buckley SFB Pharmacy is in dire need of volunteers, and they asked me to advertise that in our newsletter. Volunteers will need to be fully vaccinated and may need to complete some training. Anyone interested in more information can **call the pharmacy at (720) 847-9355 (Option 4, then Option 3) to inquire or to get started.** In addition, for those who have trouble standing while waiting for a prescription pick-up in the lobby, they highly recommend you use the drive thru. Prior to COVID, the drive-thru was strictly pick-up only but that is no longer the case. Everything you need from the pharmacy can now be accomplished using the drive thru.

PHARMACY HOURS: As of 1 Jan, the pharmacy implemented the following new hours: Mon-Fri 0800-1700. In addition, they will be **closed** on the second Wed of each month for a Training Day (**9 Mar** for this month). Please remember holidays, family days, etc. can impact these hours so you can always check the Buckley SFB Facebook page for the latest info on hours.

PHARMACY - PATIENT ADVOCATE E-MAIL ADDRESS: As you know, pharmacy patient advocates are available to hear your comments and concerns related to pharmacy operations. There are forms available in the pharmacy for you to submit comments to them, but with the pandemic you don't have access to those. The pharmacy has established an e-mail inbox for the patient advocates so you can now e-mail them directly at the pharmacy patient advocate org box: usaf.buckley.460sw-mdg.mbx.pharmacy-patient-advocate@mail.mil .

MY AIR FORCE BENEFITS WEBSITE: While the site is mainly focused on active-duty folks, there is a **lot** of information on there of interest to retirees/surviving spouses as well. The site has about 180 fact sheets on various benefits and a section for "Transition and Retirement Planning." If you look under the "Benefit Library" tab (top left of the page), and click on the "Resource Locator" link, you can then click on CO (or any other state) to see a wealth of information on resources in your state (with base specific resources as well). I strongly encourage you to check out this website. [Home | An Official Air Force Benefits Website \(af.mil\)](http://Home|AnOfficialAirForceBenefitsWebsite.af.mil)

LEGAL OFFICE OPENS "LIMITED SERVICES" FOR RETIREES & DEPENDENTS: Legal is once again providing **limited** legal assistance services for military retirees and their dependents. **Wills for retirees and dependents will only be done on Thursdays of each week from 1300 to 1500 and you must have an appointment.** For notary services and powers of attorney, walk-ins for retirees are available on **Mondays and Wednesdays from 0800-1200.** Retirees have the option of conducting their legal assistance appointment by telephone or in person. Legal expects the will appointments to fill up very quickly and they will **not** have a "waitlist." Thus, legal may ask that retirees call back in 2-3 weeks to check for open appointments once they are booked for several weeks. **Prior to scheduling an appointment for a will, medical directive or power of attorney, legal will require a ticket # or worksheet, as well as your DoD ID Number** which is located in the lower right front of the old (DD Fm 2) ID card (10-digit number). You can obtain a ticket # from the AF legal assistance website at [U.S. Air Force Legal Assistance \(AFLASS\)](http://U.S.AirForceLegalAssistance(AFLASS)) when you go to the site to fill out the required information for whatever document it is you want completed. **If you call legal to make an appointment, they will not give you an appointment unless you have the ticket number issued by the website.** For any questions call base legal at 720-847-6444.

HOW TO CREATE A MYPAY ACCOUNT WITH DEFENSE FINANCE & ACCOUNTING SERVICE

(DFAS): If you don't have a MyPay account with DFAS I recommend you create one. With your own account you can download your Form1099 for taxes, print a copy of your Retiree Account Statement (RAS), set up beneficiaries for Arrears of Pay, update your mailing and e-mail address, adjust federal and state withholding for taxes, etc. You start by requesting an initial password on the myPay homepage ([myPay Web Site \(dfas.mil\)](http://myPay.Web.Site(dfas.mil))) using the "Forgot or Need a Password" link. The password will be mailed to the address you have on file with DFAS and you will receive it in about 10 business days. Once you receive your password in the mail, you return to the myPay homepage and log in with your social security number and the password you received in the mail to create your myPay profile. DFAS has a downloadable step-by-step Get Started Guide to myPay on their website and a how-to video on the DFAS YouTube channel. For additional info on obtaining a MyAccount you can visit: <https://www.dfas.mil/retiredmilitary/manage/mypay/>

BUCKLEY SFB AGENT LETTERS - WHAT ARE THEY? Did you know if you are a family member of an elderly military retiree, or their surviving spouse, that has trouble getting around on their own you may be able to get authorization to shop for them, as their "agent", at the commissary, exchange and base pharmacy? You will require a letter from the care provider of the retiree/surviving spouse, which you will then take to the MPF in Bldg 606, where you (the "agent") and the retiree/surviving spouse will fill out a "Commissary/AAFES/MWR Escort Authorizations" form. You will need two forms of ID, the agent's driver's license the sponsors military ID. Once the form is completed you will be issued an "Agent Letter" which you will take to the Visitor Control Center (VCC) by the 6th Ave gate and Security will issue you a card/letter which will allow you to access the base and use those facilities without your retiree/surviving spouse being with you. For any questions, or more details, on this process please contact the MPF at 720-847-6974 (per the above form).

HAVE YOU EXPERIENCED UNSATISFACTORY SERVICE FROM THE RAO? We are staffed completely with volunteers who do their very best to help with your issues. While we always strive to provide you with the best possible support, we realize there may be times you experience what you consider to be unsatisfactory customer service when you contact the RAO. Perhaps you never received a response to a voice mail/e-mail you left, you got inaccurate information regarding a question you had or the person who helped you was unable to provide an adequate answer to your question. **If you are ever dissatisfied with the support you get from the RAO please contact the RAO Director to discuss the situation.** The best way to reach me is via my home e-mail - elkfive@centurylink.net.

LIFE CHANGING EVENT? KEEP DFAS INFORMED: Ensuring your retired pay comes to you accurately and on time is the primary goal at DFAS. To do this, they need your help to keep your account up to date. *Keeping your account up to date includes making sure your mailing address, banking information, allotments, tax withholding status, and your beneficiary choices are current. Be sure to report any change of life events as soon as they happen. These life-changing events include:*

- Marriage
- Divorce
- Death of a spouse or child
- Birth or adoption of a child

Some changes, especially those regarding SBP, have a one-year time limit, so it is very important that DFAS is notified of life-changing events when they happen. When you notify them, be sure to include supporting documents, such as birth or marriage certificates. Keeping your contact information updated is also key to staying informed. DFAS occasionally sends out correspondence regarding changes in the law that affect your pay, and a new Retired Account Statement (RAS) is sent when your net pay changes (unless you are on **myPay** where the new RAS is available online). **If your mailing address is not correct and you are not on myPay, they have no way of notifying you about changes. The easiest way to stay up to date is to use myPay. You can use myPay to change your mailing address, your direct deposit information, Survivor Benefit Plan (SBP) coverage, certain allotments and your tax withholding status. You can create a myPay account at <https://mypay.dfas.mil/>**
