

my Social Security Workshop

Go Digital! Join our **FREE** workshop and learn what you can do with a personal **my Social Security** account! If you need assistance setting up your account, we're here to help!

If you are not receiving benefits, you can:

- Request a replacement Social Security card
- Review your earnings history
- Get instant, personalized retirement benefit estimates
- View your Social Security Statement to see spousal, disability, and survivor benefit estimates

If you are receiving benefits, you can:

- Request a replacement Social Security or Medicare card
- Get an instant benefit verification letter
- Get an instant replacement Form SSA-1099 or SSA-1042S
- Change your address and direct deposit
- Request to withhold taxes
- Report wages if you are working and receiving disability benefits or SSI

Workshop Overview:

Ivy Heuton and Josh Weller, Public Affairs Specialist, will provide an in-person briefing discussing Social Security benefits and my Social Security Account services. After the briefing, they will be available to assist you with signing up for and troubleshooting your personal my Social Security account.

Location:

Buckley SFB
Leadership Development Center (LDC)

Date:

3/25/26

Time:

0900-1300
